2021-22 SCHOOL YEAR PROTOCOLS FOR CONTROLLING COVID-19

STAY

If employees feel sick or see symptoms of sickness stay home or send home. Employees waiting on test results should stay home as well.

WEAR

Employees are strongly encouraged to wear masks or face coverings as a mitigation measure.

CLEAN

Schools will continue routine cleaning of classrooms and high-traffic areas.

WASH

Employees are encouraged to practice routine handwashing throughout the day.

Protocol for Employees

1

Non-vaccinated & exposed* to COVID-19 positive case

Asymptomatic

Return after

Employee receives a negative PCR test through a lab on day 6 or later after the date of exposure

OR

Employee is asymptomatic and 7 calendar days have passed since the date of exposure to positive individual (return on day 8)

Symptomatic

See #2

2

Symptoms consistent with COVID-19

Recommend testing & return after

Employee receives a negative test and is asymptomatic**

OR

10 calendar days have passed since symptom onset, the employee has had no fever for 24 hours and other symptoms are improving

OR

Employee receives written permission from an MD, DO or ARNP to return to school

3

Postive Covid-19 infection ***

Asymptomatic

Return after

10 calendar days have passed since positive test result, provided employee remains asymptomatic.

Symptomatic

Return after

10 calendar days have passed since symptom onset, the employee has had no fever for 24 hours and the employee's other symptoms are improving

* Per CDC, exposure is close contact of 6-feet or less for 15 minutes or more. This is cumulative in a 24-hour period.
** Home testing options, which are collected at home, should be sent to a laboratory, done through a mobile application, or monitored by a medical provider.
*** If the employee has had a positive test within the previous 90 days, no action is required.

Employees who are fully vaccinated and asymptomatic do not need to quarantine if exposed to a positive COVID-19 case. If vaccinated employees are symptomatic, follow #2. If vaccinated employees are COVID positive, follow #3.

2021-22 SCHOOL YEAR PROTOCOLS FOR CONTROLLING COVID-19

STAY

If students feel sick or see symptoms of sickness stay home or send home. Students waiting on test results should stay home as well.

WEAR

Students are required to wear masks as a mitigation measure, however, parents may opt their student out of this requirement if they wish.

CLEAN

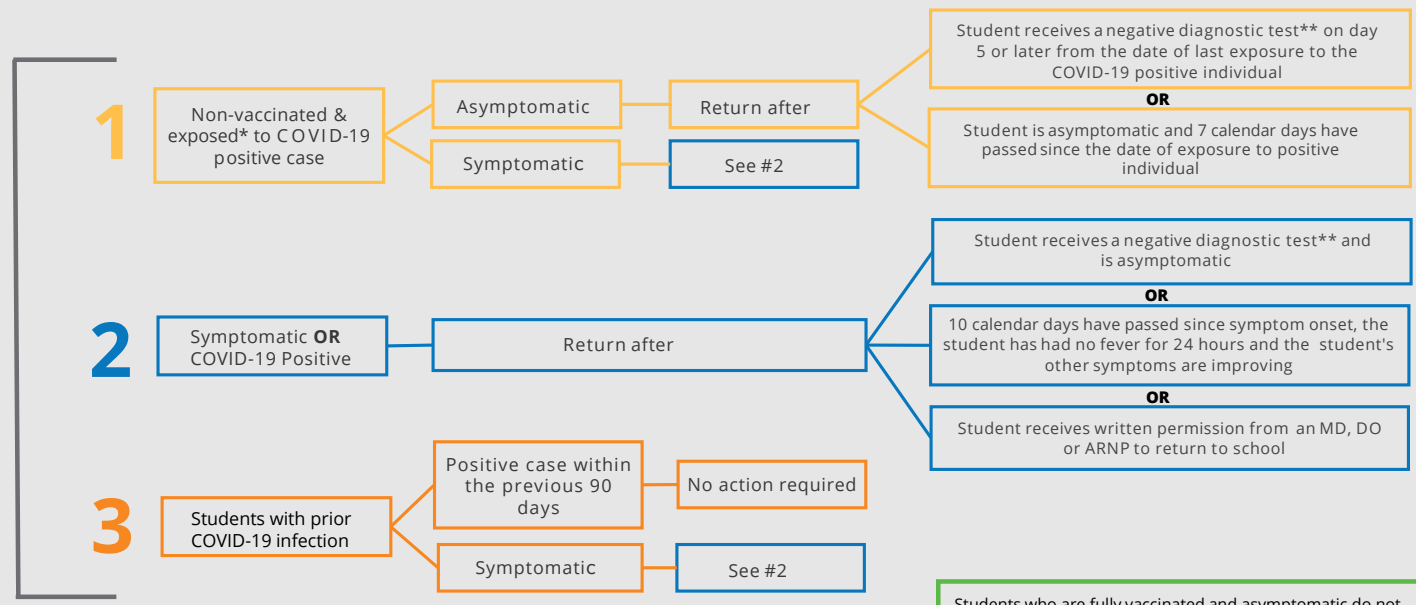

Schools will continue to encourage routine cleaning of classrooms and high-traffic areas.

WASH

Students will continue to be encouraged to practice routine handwashing throughout the day.

Protocol for Students

Students who are fully vaccinated and asymptomatic do not need to quarantine if exposed to a positive COVID-19 case. If vaccinated students are symptomatic or test positive, follow #2.

* Per CDC, exposure is close contact of 6-feet or less for 15 minutes or more. This is cumulative in a 24-hour period.
** Home testing options, which are collected at home, should be sent to a laboratory, done through a mobile application, or monitored by a medical provider.
