

Jill Castellano

Union brothers and sisters, I have been your TALC Vice President for 12 years. During this time I have been a dedicated and committed leader in our union, working tirelessly to be the best advocate for teachers. I currently represent you on the Bargaining Team, Career Ladder Committee, Calendar Committee, Turnaround School Committee. I have previously served on the Insurance Task Force, the District Safety and Security committees, and on FEA's Membership and Internal Organizing Committee.

I am seeking your vote to be reelected as the Vice President of TALC.

As a leader in TALC, I continue to be an advocate for teachers and the improvement of working conditions during this national crisis. We must elect leaders who understand the struggle we are facing and are prepared to meet any challenge head on. We need leaders who are knowledgeable and have the time and experience to stand up for our

members and I am that leader. Please vote for me, an active, involved, and engaged leader who has served your union for 16 years.
