

My name is Jolene Reynolds,
I have been involved with the union since 2010. I have served for approximately 12 years as a building representative and have served on the past two terms as Area Coordinator for area 3. I have taken part in the DA Conference for approximately the past 6 years and just recently had the honor to attend the National NEA RA State Delegate for the 2023. I look forward to representing TALC this summer for the National NEA RA Conference and the State DA Conference.
