

My name is Leila Tucker. I am an AVID and Student Government Teacher at Lehigh Acres Middle School. I am in my fourth-year teaching with the School District and first as Lead TALC representative. Before becoming a teacher, I worked at Golisano Children's Hospital as a Financial Counselor and Chico's FAS as an Assistant Sourcing Manager. I earned my bachelor's degree in legal studies from Hodges University and an MBA from Keiser University.

My mission is to empower teachers, increase TALC members, and protect and promote the well-being of its members to improve the conditions of teaching, learning, and quality education in the School District of Lee County.
