

Greetings, fellow Union sisters and brothers,

My name is Rob Moor and I am asking for the honor to represent you as a Delegate to the upcoming 2024 NEA Representative Assembly this summer in Philadelphia, Pennsylvania. Currently, I am in my 18th year as a History / Social Studies teacher. It is my 10th year as a classroom teacher here at East Lee County High School.

For the past six years, I have been privileged to represent the men and women of both TALC and SPALC at the NEA Representative Assembly in Minneapolis, MN (2018) Houston, TX (2019), Atlanta, GA (2020–Virtual), Denver, CO (2021–Virtual), Chicago, IL (2022–Virtual), and Orlando, FL (2023). As an active participant in these Assemblies, I have diligently worked with other educators from around the state and across the nation, debating key issues and advocating for our children’s future, as a member of several national caucus groups. Additionally, I currently serve our students on two national teacher advisory councils for social studies and history, collaborating with colleagues to create challenging, authentic standards-based lessons.

Locally, I continue to serve the members and students of Lee County in a variety of ways, as

- your Area 10 Coordinator, collaborating with all 14 schools in Lehigh Acres.
- Building Representative, advocating for members of both TALC & SPALC at my school;
- a member of several State and Local committees, networking with other educators to find solutions for our needs;
- a public-school advocate, meeting with legislators in Tallahassee and locally;
- an active recruiter of new members for both TALC and SPALC.

I have also been grateful to represent TALC as a delegate to the seven most recent FEA Delegate Assembly meetings in Orlando.

As I head into my 19th year as a Public School educator, I feel that my passion and experience continues to serve you, your schools, and our union very well. Representing you as a delegate in Philadelphia this summer would be a great honour.

I thank you for your consideration.
**Please vote Rob Moor for your delegate to
the 2024 NEA Representative Assembly.**
